

minating by, a junction with the existing water mains of the Company at Market-gate within the parish and borough of Warrington aforesaid.

All the above works will be made, and the lands which will or may be taken or used, are situate in the several townships of Winwick-with-Hulme and Warrington, or one of them, in the parishes of Winwick and Warrington, aforesaid.

To enable the Company to take, use, pump up, and collect the waters arising from, in, out of, or under divers springs and sources of water in and under the said fields hereinbefore described as the sites of the intended well or shaft and reservoir, and in connection therewith to erect, place, and maintain all such buildings, engines, machinery, mains, conduits, embankments, weirs, channels, drains, boreholes, drifts, tunnels, soughs, and other works as may be required or deemed expedient, in connection with the said proposed works, or any part thereof.

To extend the limits of "The Warrington Waterworks Act, 1855," and to enable the Company to supply water for domestic, public, or sanitary purposes within the townships of Newton-in-Mackerfield, Winwick-with-Hulme, Southworth-with-Croft, Houghton-with-Middleton and Arbury, and Poulton-with-Fearnhead, and parishes of Wargrave, Winwick, Croft, Warrington, and Newton, in the county of Lancaster, and the townships of Grappenhall, Higher Walton, and Lower Walton, and parishes of Grapenhall and Runcorn, in the county of Chester.

To enable the said Company to lay down, repair, and maintain all such works and conveniences as may be necessary for better and more effectually supplying water within the limits of the intended Act, and to lay down mains, pipes, culverts, and other works in, under, over, and across, and for that purpose to break open any roads, highways, streets, lanes, public places, bridges, railways, viaducts, brooks, streams, watercourses, sewers, or drains, and to alter, divert, or stop up, either temporarily or permanently, any roads, highways, sewers, drains, ways, or watercourses.

To purchase compulsorily, or by agreement, or to take on lease, or rent, and to take grants of easements over, or through all lands, houses, mills, buildings, springs, streams, waters, and other hereditaments, and property, requisite or desirable for the purposes of the intended Act, and to alter, vary, or extinguish any existing rights and privileges connected therewith, and any other rights and privileges whatsoever, which would in any way interfere with the purposes of the intended Act.

To alter their existing rents, rates, and charges, and to levy and collect other rents, rates, and charges for the supply of water, and to confer, vary, or extinguish exemptions from the payment of rents, rates, and charges.

To increase their capital, and to raise a further sum of money, by issuing new shares, either with or without a preference or priority in the payment of dividends, or other rights or privileges attached thereto or to any part thereof, and by borrowing and reborrowing on mortgage or debentures, or by all or any of such means.

To enable the Company to enter into agreements with any local authority, or body corporate, for the supply of water in bulk, or otherwise, to them for sanitary or other purposes.

And it is intended to incorporate with the said intended Act, "The Lands Clauses Consolidation Act, 1845;" "The Company's Clauses Consolidation Act, 1845;" "The Companies Clauses Act, 1863;" "The Waterworks Clauses Acts, 1847 and 1863;" and "The Lands Clauses Consolidation Acts

Amendment Act, 1860;" or some parts thereof respectively.

And notice is hereby further given, that on or before the 30th day of November instant, duplicate plans and sections of the said intended new works, and the alterations in, enlargement, and extension of the existing works, describing the lines, situation, and levels thereof, and the lands, houses, and other property through which the same are to be made and maintained, and which are to be taken for the purpose thereof, together with a book of reference to such plans, containing the names of the owners or reputed owners, lessees or reputed lessees, and occupiers of such lands, houses, and other property, and a copy of this notice, as published in the London Gazette, will be deposited for public inspection with the Clerk of the Peace for the county of Lancaster, at his office at Preston, and with the Clerk of the Peace for the county of Chester, at his office at Chester, and that on or before the 30th day of November instant, a copy of so much of the said plans, sections, and books of reference, as relate to the several parishes in or through which the said works, or intended works, are proposed to be made or maintained, and a copy of this notice, as published in the London Gazette, will be deposited for public inspection with the parish clerk of each such parish at his residence.

And printed copies of the said intended Act will, on or before the 23rd day of December next, be deposited in the Private Bill Office of the House of Commons.

Dated this 13th day of November, 1867.

In Parliament.

Metropolitan Foreign Cattle Market.

(Powers to Corporation of London, Metropolitan Board of Works, or Commissioners.)

IT is intended to introduce into Parliament in the next Session thereof, a Bill for the following, or some of the following, among other purposes:—

1. The establishment and maintenance within the limits of the Metropolis as defined by "The Metropolis Local Management Act, 1855," or in some parish immediately adjoining such limits of a market or markets, for the sale of cattle brought by sea from any place out of the United Kingdom, and of other animals imported with such cattle; and for the establishment and maintenance of the necessary market-places, market-houses, slaughter-houses, stalls, lairs, roads and other approaches (whether by tramway or otherwise) and conveniences connected with such markets, not only for the sale of such cattle and other animals, but for the slaughtering thereof and the sale of meat; and also for the construction and maintenance of wharfs, either contiguous to such markets or otherwise, for the landing of the said cattle and other animals.

2. The taking of tolls, rates, rents, and stallages for the use of the said markets, slaughter-houses, stalls, lairs, wharfs, and conveniences, and the making of bye-laws and other provision for the good government and regulation thereof, and
