## Winwick Parish - Management Committee 9 June 2020

**Present:** Councillors Matthews (Chair), D Friend (substituting for P Gosney), G Friend (temporarily filling a vacancy) and Iddon

### **WPMC 1 Apologies**

Apologies for absence were submitted on behalf of Councillors S Godon and P Gosney and from Clare Jones, Operations and Finance Officer.

### **WPMC 2 Code of Conduct - Declarations of Interest**

There were no declarations of interest received.

### **WPMC 3 Minutes**

The Chair reported that the last meeting had taken place shortly before the Government lockdown and resultant closure of the Centre. The minutes had included a debate about operational measures proposed to be taken during the Coronavirus pandemic and an initial debate about customer engagement around the future of the Centre.

Decision – That the Minutes of the meeting held on 10 March 2020 be agreed as a correct record.

### **WPMC 4 Informal Meeting**

An informal meeting had taken place on 12 May 2020 between the Chair of the Committee, Operations and Finance Officer and Clerk, to discuss the performance figures for the Leisure Centre for the last month of 2019/20 and the start of 2020/21, including the implications of the closure of the Centre.

The Chair reported that furlough payments were currently being made to Leisure Centre staff. The Operations and Finance Officer had provided some figures to the last meeting of the Council on the phased reopening of the Leisure Centre, which had also been reproduced for the Committee. Some support would be received from the Government in respect of business rates and a Retail, Hospitality and Leisure Grant. The implications were that staying closed would enable the Centre to be in no worse a position than budgeted for under normal operations. However, closure did not fulfil the societal good provided by the Centre, such as support for a nursery, football and wider community use.

Councillor Iddon suggested that the detailed discussion be moved to Part 2 of the meeting, due to its commercial sensitivity and staffing considerations. The Chair added that he had made some written comments on the Profit and Loss Statement for 2019/20, which also should be discussed in Part 2, due to commercial sensitivity.

Decision – To note the minutes of the informal meeting held on 12 May 2020.

**WPMC 5 Action List**

There was no formal Action List Schedule provided on this occasion, although the Clerk reported that a draft had been produced which indicated that most actions had been completed. The Chair referred to the sections headed ‘Quotes’ and ‘Issues of Note’ included in the report at Agenda Item 6(1)(a), which provided an update as to progress by the Operations and Finance Officer on key projects.

Decision – To note the verbal update on actions and referrals from previous meetings and the written update on Quotes and Issue of Note.

**WPMC 6 Non-Confidential Matters Raised in line with the Committee’s Terms of Reference**

**(A) Community and Leisure Centre Performance Reports**

(1) Finance Report

The Operations and Finance Officer provided a report which showed the financial position at the Leisure Centre for May 2020.

The report comprised an abridged format, which included the monthly profile of anticipated finances based upon the income figures experienced in previous years and a summary of the income lost due to the closure of the Centre in April/May.

Income Information

*Key Performance Indicators (Bar Sales)*

The annual budget for bar sales (£168.5k) had been broken down over the 12 month period, based on the percentage fees taken in previous years. The relevant percentage and target income for each month was outlined in a table. 2020/21 actual income (also shown) would be assessed against the table provided below.

	<b>Apr</b>	<b>May</b>	<b>Jun</b>	<b>Jul</b>	<b>Aug</b>	<b>Sep</b>	<b>Oct</b>	<b>Nov</b>	<b>Dec</b>	<b>Jan</b>	<b>Feb</b>	<b>Mar</b>
Percentage of Total (%)	6.86	9.05	10.06	12.11	8.71	8.66	7.84	7.98	8.60	6.59	6.72	6.82
Budget (£1,000s)	11.56	15.25	16.95	20.40	14.64	14.60	13.21	13.44	14.49	11.10	11.32	11.49

*Bar Takings Monthly*

Due to Covid-19 closure the Centre was 15.91% down on the budgeted figures for the year, a deficit of £26.8k.

There had only been £4.9k of expenditure on the centre in May.

The Centre had received £8,544.74k which had been repaid by the HMRC furlough scheme. There were a further 2 weeks furlough pay due against May wages.

It still appeared that the earliest bars would be allowed to open would be July, which would mean a total deficit of expected bar income of £43,758.68 (25.97% of expected bar sales for the year).

Upon reopening events and room bookings for parties would continue to be promoted to improve bar sales. A marketing strategy was being compiled for this based on data from the *Appointed* system and the dates and days that required further promotion.

*Cash Takings*

The cash takings for bar sales were not reported as no sales had been made in April/ May.

*Coffee Sales*

With regards to the coffee mornings, the figures were currently unreported due to no sales in April/May. The revised minimum cups per day target would be reported with the first set of figures available (adjusted to account for covering costs on machine lease whilst closed).

Based on figures from last year's sales, The Centre was looking to be 690 cups (£1,017.17) behind April and May's combined figure and potentially 1,103 cups (£1,627.91) behind by the end of June.

*Key Performance Indicators (Room Lettings)*

As with the bar sales, the room lettings had been analysed and the expected fees (£59.6k), including buffet sales, had been split across the relevant months by percentage. 2019/20 actual income (also shown) would be assessed against the table provided below:-

	<b>Apr</b>	<b>May</b>	<b>Jun</b>	<b>Jul</b>	<b>Aug</b>	<b>Sep</b>	<b>Oct</b>	<b>Nov</b>	<b>Dec</b>	<b>Jan</b>	<b>Feb</b>	<b>Mar</b>
Percentage of Total (%)	7.19	7.97	7.79	9.48	5.80	10.14	9.34	8.31	8.82	8.44	7.62	9.10
Budget (£1,000s)	4.29	4.75	4.64	5.65	3.46	6.04	5.57	4.95	5.25	5.03	4.54	5.42
Actual (£1,000s)	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00	0.00

*Room Lettings Monthly*

Room lettings were down by £9k (15.16%) due to the enforced closures. By the end of June the figure would be £13.67k (22.95%). Overheads were as recorded with the bar take.

Events

There had been no events in April and May, and none would take place in June.

Payments Made

There was no list of payments on this occasion.

Quotes

The following quotes had been approved:-

- Bench repairs – Wigwam – The Company had been contacted and were working. Following the email sent, the works would be programmed in.
- Downspouts repair – Wigwam – as above.
- Flagging by the nursery – Edge Landscape – The company had not yet been contacted. Updates would be provided as appropriate.

Comparative quotes for the following were being obtained:-

- Renovation to kitchen to allow for dishwasher to be installed

Issues of Note

*Paying Fields*

Voicemails and e-mails have been left for Kevin Cready, Warrington Borough Council. Subsequently, the field had been cut at the start of the week.

*Leisure Centre*

It was recommended that prior to reopening, the Centre should be repainted throughout by a professional and the bar flooring and carpet areas redone. Subject to councillors' agreement, the Operations and Finance Officer would obtain quotes and ascertain the availability of contractors to complete those works.

(2) Profit and Loss Statement of the Leisure Centre for 2019/20

A schedule was provided showing the profit and loss position for the Leisure

Centre for 2019/20, together with some areas proposed by the Chair for more detailed analysis.

(3) Playing Fields Border and Vegetation

The Clerk reported that correspondence had been received in respect of overgrown vegetation around the border of the playing fields.as follows:-

- A request for vegetation to be trimmed which was blocking an access gate onto the playing fields from a residential property on Faringdon Road; and
- A request for encroaching trees on the playing fields to be cut, adjacent to a property on Falcondale Road

The Chair commented that the matter of the borders to the playing field had been discussed at length at a previous meeting and a decision had been taken to retain rough borders in order to provide a habitat for wildlife. Members noted that residents had no formal right of access to the playing fields from their garden gates, although the Council did not currently object to their use or to residents maintaining the area surrounding their gate.

In respect of the encroaching tree, it was suggested that the Operations and Finance Officer arrange to inspect the area to ascertain whether there was a problem.

(4) Football

Councillor Gordon had submitted an enquiry on a behalf of Winwick Athletic Football Club, as to when football could restart on the playing fields. Members considered that, in principle, football could recommence as soon as the Government regulations permitted it.

The Chair noted that the grass on the field had been left to grow for some time, although mowing had taken place this week. Councillor Iddon asked whether the field was cut according to a regular schedule or whether the Council needed to request mowing on an *ad hoc* basis. It was unclear whether the Council paid a set annual fee for mowing or paid for each cut individually.

Decision –

- (1) To note the update report on the Leisure Centre performance and the impact of the closure of the Centre due to the Coronavirus pandemic.
- (2) To agreed that detailed discussions on the reopening of the Leisure Centre and the profit and loss information for 2019/20 be considered in Part 2 of the Agenda.
- (3) To request the Operations and Finance Officer to look into whether

there was a schedule for cutting the playing field or whether this was done upon request and what payment arrangements were in place.

- (4) To note that residents had no formal right of access via garden gates to the playing fields and to reaffirm the Council's policy to maintain a rough border around the playing fields for wildlife.
- (5) To request that the Clerk respond to the resident on Faringdon Road to explain the Council's policy in relation to the playing field access and its borders, but to indicate that it would have no objection to the resident maintaining a small area of vegetation around their own gateway.
- (6) To request the Operations and Finance Officer to inspect the tree adjacent to the resident's property on Falcondale Road to ascertain if there was a problem and for the Clerk to provide a suitable response.

**WPMC 7 Exclusion of the Public (including the Press)**

Decision – That members of the public (including the press) be excluded from the meeting by reasons of the confidential nature of the business to be transacted, in accordance with Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 and the public interest in disclosing the information is outweighed by the need to keep the information confidential.

**WPMC 8 Confidential Matters in line with the Committee's Terms of Reference**

**(A) Community and Leisure Centre Performance Reports**

Members considered the following reports provided by the Operations and Finance Officer:-

- Profit and Loss Statement 2019/20
- Profit and loss Projection 2020/21 (showing closure for 3, 6, 9 and 12 months); and
- Profit and Loss projection 2020/21 (showing closure for 3 months with a phased restart from July to October)

Members discussed the following matters:-

- The use of the furlough scheme, national changes to the rules regarding the scheme, financial considerations for the Council and the need to consider an extension of the scheme beyond the original 12 weeks approved;
- The financial implications of trade returning gradually to the Leisure Centre and the risks to floating costs of fully reopening too soon;
- The operational issues around running elements of the Centre on the

- basis of social distancing;
- The plans of Centre users to restart their activities and prevailing market conditions;
- Staffing issues, including consultation on reopening and the approach to staff who were shielding long term;
- Day to day management arrangements;
- The importance of the Leisure Centre to the community, but the imperative for it to be self-funding in the longer term;
- Learning from experience in 2019/20 and investigating specific issues raised by the Chair; and
- Litter picking on the playing field. (The discussion also identified some wider Parish issues which were not within the Committee's remit).

(Further information is included in a confidential minute to this section)

Decision –

- (1) To request the Operations and Finance Officer to provide a report to Council on 23 June 2020 in connection with an extension to the furlough scheme.
- (2) To request the Operations and Finance Officer to develop a more detailed operational plan for the reopening of the bar, having regard to the anticipated new Government guidance for the hospitality sector.
- (3) To request the Operations and Finance Officer to consider the funding position should there be a prolonged period of reduced bar take and lettings income (a pessimistic view).
- (4) To affirm that the Council should be cautious about reopening the Leisure Centre too quickly and that reopening of each element should be closely linked to the prevailing market conditions.
- (5) To request the Operations and Finance Officer to undertake a survey of regular Centre users to ascertain their plans to restart their activities.
- (6) To request the Operations and Finance Officer to investigate the issues raised by the Chair in relation to the Profit and Loss Statement for 2019/20 and to prepare a report for the Committee, with the option to request the assistance of the internal auditors for any significant issues arising.
- (7) To request the Clerk to consider any available training for the senior management team around local government issues.

**(B) Employee Matters**

There were no individual staffing matters to report on this occasion.
